

DISCUSSION FORUM

Renewable and Sustainable Energy *Wind Energy*

After the success of our first discussion forum on the topic of Bio-Fuels the next Discussion Forum on **Wind Energy** will be held on **Friday 13 April 2007 at 15h00** at the Sustainability Institute at Lynedoch on the R310, Baden Powell Drive. Prof Theo von Backström of Stellenbosch University and Mr Hermann Oelsner of the Darling Wind Farm will introduce the topic where after an open discussion will follow on the prospects of wind energy in SA and the world, the contribution wind energy can make to achieve the long term goals of South Africa for renewable energy, and possible projects that can be initiated to stimulate interest in this area.

All academic staff and students, representatives from the public and private sectors as well as the general public are welcome to attend.
There will be a small reception afterwards.
