

DISCUSSION FORUM

Renewable and Sustainable Energy

National and Local Electricity Grids

The next Discussion Forum on **National and Local Electricity Grids**, will be held on **Friday 22 August 2008 at 15h00** in Lecture Theatre Nr. 1 in the Business Faculty at the Belville Campus of Cape Peninsula University of Technology (CPUT). Mr Robbie van Heerden of the System Operations and Planning at Eskom and Dr Ben Sebitosi of the Department of Electrical Engineering at UCT will introduce the topic where after an open discussion will follow on the relevance, advantages and challenges posed by having a single national grid or many smaller local grids in the context of integrating renewable energy sources.

All academic staff and students, representatives from the public and private sectors as well as the general public are welcome to attend.

There will be a small reception afterwards.

RSVP crses@sun.ac.za or tel 021 808-4069
