

DISCUSSION FORUM

Renewable and Sustainable Energy

Ocean Energy

The next Discussion Forum on **Ocean Energy** will be held on **Friday 8 June 2007 at 15h00** at the Auditorium (Room 1.01) of the Maritime Studies/Hotel School of the Cape Peninsula University of Technology in Granger Bay. Prof Deon Retief and Cobus Rossouw will introduce the topic where after an open discussion will follow on the prospects of ocean, and in particular wave, energy in SA and the world, the contribution wave energy can make to achieve the long term goals of South Africa for renewable energy, and possible projects that can be initiated to stimulate interest in this area.

All academic staff and students, representatives from the public and private sectors as well as the general public are welcome to attend. There will be a small reception afterwards.

RSVP anitak@sun.ac.za or tel 021 808-4069
