

DISCUSSION FORUM

Renewable and Sustainable Energy

Carbon Capture and Sequestration

The next Discussion Forum on **Carbon Capture and Sequestration (CCS)** will be held on **Friday 12 November at 15h00** in the Auditorium of the Nelson Mandela Gateway at the Clock Tower Precinct, V&A Waterfront, Cape Town. Dr Louis de Lange of Sudereco will discuss the conversion of biomass and waste to energy and biochar while Dr Tony SurrIDGE of SANERI will discuss conventional CCS, the South African Carbon Geological Storage Atlas and the South African Centre for Carbon Capture & Storage.

All academic staff and students, representatives from the public and private sectors as well as the general public are welcome to attend. There will be a small reception afterwards.

RSVP crses@sun.ac.za or tel 021 808-4069 by **9 November 2010**
