

## DISCUSSION FORUM

### Renewable and Sustainable Energy

### *Wave Energy*

The next Discussion Forum on **Wave Energy** will be held on **Friday 15 October at 15h00** in the Auditorium of the Cape Town Hotel School of the Cape Peninsula University of Technology in Granger Bay, Cape Town. James Joubert and Felipe Guerrero of Stellenbosch University will present some of their research activities at Stellenbosch University on wave energy as well as discuss the capabilities of the recently upgraded wave flumes.

All academic staff and students, representatives from the public and private sectors as well as the general public are welcome to attend. There will be a small reception afterwards.

RSVP [crses@sun.ac.za](mailto:crses@sun.ac.za) or tel 021 808-4069 **by 8 October 2010**

#### Final Forum for 2010:

Date	Topic	Speakers
12 November	Carbon Capture & Sequestration	Dr Louis de Lange (Sudereco) and Dr Tony SurrIDGE (SANERI)

Venue will be announced at a later date.
